ARTICLE 10 – NOTICE

Section 10.1. Notice of Meetings of Trustees.

Written notice of every regular meeting of the Board, stating the time, place and purpose of the meeting, shall be given by, or at the direction of, the Secretary to each member of the Board, at least ten (10) days prior to the day named for the meeting,
unless a greater period of notice is required. If the Secretary shall neglect or refuse to
give notice of the meeting, the person or persons calling the meeting may do so. In the
case of a special meeting, the notice shall specify the general nature of the business to be
transacted and shall be given at least three (3) business days prior thereto. The Board
may provide for additional notice by publication or otherwise should it be deemed
advisable.

Section 10.2. Written Notice.

Whenever written notice is required to be given to any person, it may be
given to the person, either personally or by sending a copy by first class or express mail
(postage prepaid), or by telegram (with messenger service specified), or electronic mail,
tele, or TWX (with answer back received), or courier service (charges prepaid), or by
facsimile transmission, to his or her address (or to his or her telex, electronic mail, TWX,
or facsimile number) appearing on the books of the Corporation or, in the case of
Trustees, supplied by him or her to the Corporation for the purpose of notice. If the
notice is sent by mail, telegraph, or courier service, it shall be deemed to have been given
when deposited in the United States mail or with a telegraph office or courier service for
delivery to that person or, in the case of electronic mail, telex, or TWX, when dispatched
or, in the case of facsimile, when receipt has been confirmed. A notice of meeting shall
specify the place, day and hour of the meeting and any other information required by the
Act. Except as otherwise provided by the Act or these Bylaws, when a meeting is
adjourned, it shall not be necessary to give any notice of the adjourned meeting, or of the
business to be transacted at an adjourned meeting, other than by announcement at the
meeting at which such adjournment is taken.

Section 10.3. Waiver by Writing.

Whenever any written notice is required to be given, a waiver in writing,
signed by the person or persons entitled to the notice, whether before or after the time
stated, shall be deemed equivalent to the giving of the notice. Neither the business to be
transacted at, nor the purpose of, a meeting need be specified in the waiver of notice of
the meeting.

Section 10.4. Waiver by Attendance.

Attendance of a person at any meeting shall constitute a waiver of notice
of the meeting except where a person attends a meeting for the express purpose of
objecting, at the beginning of the meeting, to the transaction of any business because the
meeting was not lawfully called or convened.

ARTICLE 11 – CONFLICTS OF INTEREST

Section 11.1. Interested Trustees and Officers.
No contract or transaction between the Corporation and one or more of its Trustees or officers or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its Trustees or officers are directors or officers, or have a financial interest, shall be void or voidable solely for such reason, or solely because the Trustee or officer is present at or participates in the meeting of the Board which authorizes the contract or transaction, or solely because his, her, or their votes are counted for that purpose, if:

(a) the material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to the Board and the Board in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested Trustees even though the disinterested Trustees are less than a quorum; or

(b) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved, or ratified by the Board.

Interested Trustees may be counted in determining the presence of a quorum at a meeting of the Board which authorizes the contract or transaction.

ARTICLE 12 – LIMITATION OF LIABILITY AND INSURANCE

Section 12.1. Limitation of Liability of Trustees.

A Trustee shall not be personally liable, as such, for monetary damages for any action taken or any failure to take any action as a Trustee unless:

(a) the Trustee has breached or failed to perform the duties of his or her office under Subchapter B of Chapter 55 of the Act; and

(b) the breach or failure to perform constitutes self-dealing, willful misconduct, or recklessness.

This Section shall not apply to (1) the responsibility or liability of a Trustee pursuant to any criminal statute, or (2) the liability of a Trustee for the payment of taxes pursuant to federal, state, or local law. Any repeal or amendment of this Section shall be prospective only and shall not increase, but may decrease, a Trustee’s liability with respect to actions or failures to act occurring prior to such change.

Section 12.2. Insurance.

The Corporation may purchase and maintain insurance on behalf of any person who is or was a Trustee or officer of the Corporation or is or was serving at the request of the Corporation as a director or officer of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise against any liability asserted against him or her and incurred by him or her in any such
capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify him or her against that liability under the Act. The Corporation's payment of premiums with respect to such insurance coverage shall be provided primarily for the benefit of the Corporation. To the extent that such insurance coverage provides a benefit to the insured person, the Corporation's payment of premiums with respect to such insurance shall be provided in exchange for the services rendered by the insured person and in a manner so as not to constitute an excess benefit transaction under section 4958 of the Internal Revenue Code of 1986, as amended.

ARTICLE 13 – INDEMNIFICATION

Section 13.1. Representative Defined.

For purposes of this Article, “representative” means any Trustee or officer of the Corporation.

Section 13.2. Third-Party Actions.

The Corporation shall indemnify any representative who was or is a party or is threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation), by reason of the fact that he or she is or was a representative of the Corporation, or is or was serving at the request of the Corporation as a director or officer of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action or proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner that he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation and, with respect to any criminal proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Section 13.3. Derivative and Corporate Actions

The Corporation shall indemnify any representative who was or is a party or is threatened to be made a party to any threatened, pending or completed action by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he or she is or was a representative of the Corporation, or is or was serving at the request of the Corporation as a director or officer of another domestic or foreign corporation for profit or not-for-profit, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of the action if he or she acted in good faith
and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation. Indemnification shall not be made under this Section in respect of any claim, issue or matter as to which the person has been adjudged to be liable to the Corporation unless and only to the extent that the court of common pleas of the judicial district embracing the county in which the registered office of the Corporation is located or the court in which the action was brought determines upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses that the court of common pleas or other court shall deem proper.

Section 13.4. Employee Benefit Plans.

For purposes of this Article, "other enterprises" shall include employee benefit plans; "serving at the request of the Corporation" shall include any service as a representative of the Corporation that imposes duties on, or involves services by, the representative with respect to an employee benefit plan, its participants or beneficiaries; excise taxes assessed on a person with respect to any employee benefit plan shall be deemed "fines"; and action with respect to an employee benefit plan taken or omitted in good faith by a representative in a manner he or she reasonably believed to be in the interest of the participants and beneficiaries of the plan shall be deemed to be action in a manner that is not opposed to the best interests of the Corporation.

Section 13.5. Procedure for Effecting Indemnification.

Unless ordered by a court, any indemnification under Section 13.2 or Section 13.3 shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the representative is proper in the circumstances because he or she has met the applicable standard of conduct set forth in those Sections. The determination shall be made:

(a) by the Board by a majority vote of a quorum consisting of Trustees who were not parties to the action or proceeding; or

(b) if such a quorum is not obtainable or if obtainable and a majority vote of a quorum of disinterested Trustees so directs, by independent legal counsel in a written opinion.

Section 13.6. Advancing Expenses.

The Corporation shall pay expenses (including attorneys' fees) incurred in defending any action or proceeding referred to in Section 13.2 in advance of the final disposition of the action or proceeding upon receipt of any undertaking by or on behalf of the representative to repay the amount if it is ultimately determined that he or she is not entitled to be indemnified by the Corporation as authorized in this Article or otherwise.
Section 13.7. Supplementary Coverage.

The indemnification and advancement of expenses provided pursuant to this Article shall not be deemed exclusive of any other rights to which a person seeking indemnification or advancement of expenses may be entitled under the Act, or any bylaw, agreement, vote of disinterested Trustees, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding that office. Article 11 (relating to conflicts of interest) shall be applicable to any bylaw, contract, or transaction authorized by the Trustees under this Section. However, no indemnification may be made by the Corporation under this Article or otherwise to or on behalf of any person to the extent that:

(a) the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted self-dealing, willful misconduct, or recklessness; or

(b) the Board determines that under the circumstances indemnification would constitute an excess benefit transaction under section 4958 of the Internal Revenue Code of 1986, as amended.

Section 13.8. Duration and Extent of Coverage.

The indemnification and advancement of expenses provided by or granted pursuant to this Article shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a representative of the Corporation and shall inure to the benefit of the heirs and personal representatives of that person.

Section 13.9. Reliance and Modification.

Each person who shall act as a representative of the Corporation shall be deemed to be doing so in reliance upon the rights provided by this Article. The duties of the Corporation to indemnify and to advance expenses to a representative provided in this Article shall be in the nature of a contract between the Corporation and the representative. No amendment or repeal of any provision of this Article shall alter, to the detriment of the representative, his or her right to the advance of expenses or indemnification related to a claim based on an act or failure to act which took place prior to such amendment or repeal.

ARTICLE 14 - ANNUAL REPORT

The President and Treasurer shall present the Board at its annual meeting a report, verified by the President and Treasurer or by a majority of the Board, showing in appropriate detail the following:

All funds of the Corporation shall be deposited from time to time to the credit of the Corporation in such banks, trust companies, or other depositories as the Board may select.

Section 15.6. Gifts.

Any person authorized to vote a security shall have power to appoint proxies, with general power of substitution.

ARTICLE 16 – CORPORATE RECORDS AND CALENDAR
