

## College of the Science and Mathematics Student Research Award Grant Cycle

### ANSWER TO THE QUESTION: WHEN DO I APPLY?

Grant Cycle	Proposals Due	Decisions	Award Type	Timeframe Covered
Fall	5 <sup>th</sup> Friday of Semester	7 <sup>th</sup> Friday of Semester	Travel to Conference	Current Fall Semester or upcoming Winter Break (assumes presentation is accepted and still a WCU student at time of presentation) OR Previous Spring/Summer presentation (reimbursement with receipts)
			other materials/ research needs	Current Fall Semester or upcoming Winter Break (assumes student still registered at WCU)
Spring	5 <sup>th</sup> Friday of Semester	7 <sup>th</sup> Friday of Semester	Travel to Conference	Current Spring Semester or upcoming Summer (assumes presentation is accepted and still a WCU student at time of presentation) OR Previous Fall Semester conference presentation (reimbursement with receipts)
			other materials/ research needs	Current Spring Semester or upcoming Summer (assumes student still registered at WCU)

\*Note – Students may apply for a grant which covers both travel and other materials/research needs in the same proposal as long as the timeframe for the travel and materials/research needs align according to the table above.
