• **Counseling & Psychological Center** offers many services, such as individual consultations about personal problems, group meetings, and help with substance abuse. Students can call to make appointments and faculty/staff can call to ask for support with helping students. The WCU Counseling Center also has a new unique online service that is offered to WCU students.

• **Resource Pantry** provides direct services to student who are facing financial hardship with the goal of eliminating barriers to degree completion. The pantry provides non-perishable food items, school supplies, business attire, and winter clothing to any student in need.

• **Student Assistance** provides assistance and support for students who are away from the campus for a minimum of three class days due to illness, personal or family emergencies. A note will be circulated to the student's professors advising the professor of the absence. The student is also encouraged to contact his/her professors to make arrangements on any missed work.

• **Student Health Center & Services** treats minor illness such as musculoskeletal injuries, urinary tract infections, asthma, respiratory infections, and gastro-intestinal illnesses. The staff also handles routine minor medical conditions and provides allergy shots and immunizations. Gynecological services include pregnancy and sexually transmitted infections (STI) testing and contraceptive counseling.

• **Office of Wellness Promotion** engages students in intentional educational opportunities to cultivate life-long learning and a community of well-being. There are a variety of programs, services and resources available for students as well as available student engagement opportunities.

• **Academic Success Program** provide workshops to assist students with a variety of academic and personal issues including college adjustment, personal issues, stress management, study skills, time management, and test-taking tips.

• **Financial Aid Office** offers information and answers questions about students' financial aid. Both students and advisors can learn important financial aid information from their series of helpful explanatory videos.

• **Ram's Eye View (Student Handbook)** produced by the Division of Student Affairs, provides information about student services on campus, student activities, university policies, and the West Chester community.

• **Career Development Center** offers services, programs, and resources such as the Ram Career Network that help you explore future career options as well as prepare for and secure internships and full-time employment. Students may schedule appointments for one-on-one personalized help as well as work on resume writing and interview preparation.

• **Learning Assistance Resource Center** (LARC) provides academic support through tutoring and academic success coaching services to promote independent and active learners at West Chester University.
- **New Student Programs** coordinates new student orientation and out-reach programs for first-year, transfer, and non-traditional students. A variety of programs and events are offered to introduce and engage new students in campus life. Events include: Welcome Week, Family Weekend, New Student Success Series, and more.
- **OrgSync** is your online connection to WCU student organizations. Join a group, keep up with members of your current groups, or find out more about what other groups are doing on campus.
- **D-CAP** (Dub-C Autism Program) provides evidence-based social and behavioral supports to help WCU matriculated students with autism develop the independent life and interpersonal skills to graduate and lead successful professional lives.
