What is Academic Probation?

- The University cumulative GPA standard for good academic standing for all students, including freshmen, is a 2.0. *This is a C average.*

- If you do not have the required 2.0 minimum cumulative GPA when grades are posted, you will be placed on academic probation. Students whose GPA is 0.00 will be dismissed immediately.

- Probation requires students to complete an Academic Recovery Plan (ARP) with their academic advisor.

- You should be aware that some colleges in the University maintain higher than 2.0 standards of performance for continuance and graduation in the major (e.g. Business 2.5, Education 2.8).
The Process of Probation

After 1 or 2 semesters on probation students may:

- **Return to Good Academic Standing**
  →→ Earn a cumulative GPA of 2.0 or higher

- **Be permitted Continued Probation**
  →→ Make progress toward Good Academic Standing utilizing Academic Recovery Plan
  →→ Have a reasonable mathematical chance of reaching a CGPA of 2.00 after one additional semester on probation.

- **Face Dismissal**
  →→ if GPA is still below 2.0 after two consecutive full-time semesters on probation.

**Note:** An appeal to the Special Assistant for Academic Policy may be an option upon dismissal.
Impacts of Probation

- Financial Aid (* see financial aid advisor)
- Athletic eligibility
- Additional cost of education
  - Research shows that any additional year accrues about $15,000 college debt
- Delay in graduation
- Drop from major
  - GPA deficiency may prevent you from getting into your desired major
- May change your desired major/career path

**WCU Repeat Course Policy**

- **Undergraduate college-level courses**
  - The total *maximum* of repeats is six times (*not* including “Q” courses)
  - A single course may not be repeated more than twice
  - The most recent grade, regardless of whether it is higher or lower, will be used to calculate your GPA
  - Courses already taken at WCU cannot be repeated in another institution to have impact on grade

*Example of repeat procedure for a single course:*

<table>

<tr>
<th>First Attempt</th>
<th>Second Attempt</th>
<th>Third Attempt</th>
<th>After the third attempt you cannot repeat the same course unless you appeal for exception to policy.</th>
