# ACT 14
# VETERAN AND ACTIVE MILITARY
# IN-STATE TUITION REQUEST

To support our US active-duty Military and Veterans and to comply with PA Act 14 (2023) and HB804, WCU will extend in-state tuition to the following populations regardless of VA education benefit eligibility:

1. All US Veterans (including spouses and dependents) regardless of state of residency,
2. Active-duty military who are stationed in Pennsylvania and lives in Pennsylvania, and
3. Any civilian who works on at Department of Defense facility stationed in Pennsylvania and live in Pennsylvania.

In-state tuition rates apply to all courses and program, regardless of modality (in-person, hybrid, or distance education). Students are responsible for the associated fees for their program and/or courses.

According to WCU policy, your residency status may require you to supply extra documentation to ensure you receive the proper, in-state tuition benefits.
